

Certificate of Compliance
Food contact regulations relating to glass bottles and jars

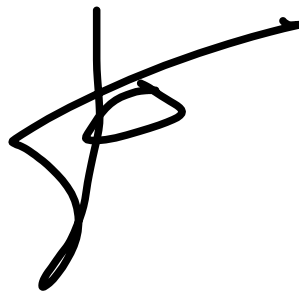

Further to your request for information relating to the above, I would like to explain Ardagh Group's position.

I hereby confirm that, as a member of FEVE (the European Container Glass Federation), Ardagh supports and complies to all appropriate Food Contact regulations and requirements as outlined in FEVE's Glass and Food Contact regulation paper. In addition all Ardagh Europe Products supplied comply to TPCP (Model Toxic materials in Packaging Legislation)

This confirmation relates to all aspects of Ardagh's Glass Container production with regard to 'Certificate of Compliance to Food contact regulations relating to Glass bottles & jars', and without specific reference to the geographic area where the glass containers are produced or the packed product is sold. As such, no additional documentation is deemed necessary or appropriate.

A copy of the 'FEVE Food Contact Regulation Paper' is provided along with this letter. We thank you for your understanding on this matter and will keep you informed should there be any unforeseen changes in the food contact regulations for glass packaging in the future.
