## Analytical Report

### Metsit Ingredients BV

Attn: Reinoud Metselaar  
Nes 2A  
1741 JZ Schagen  
Netherlands

Reportnr. : **1435682 version 1**  
Sample Arrival Date : 10-Nov-2021 11:43  
ReportDate Version : **12-Nov-2021 15:55**  
Packing : Plastic, ambient

Sampling Date : 08-Nov-2021  
Samplesize (kg) : 1,045

### Sample information \*

Disponent Number : P-210069  
Sealed / Seal Code : No /

Product specification : Organic Wheat  
Origin : Romania  
TonnageEx Lot (mt) : 240,000  
Lot/Colli Number : P-210069

\* Information supplied by customer (TLR takes no responsibility for this information).

### Composition Determination

#### Weender

| Parameter                       | Result (as received) | Result (On Dry) | Result (12% moisture) | Q | R |
|---------------------------------|----------------------|-----------------|-----------------------|---|---|
| Moisture - 130.                 | 12,2 ± 1,2 %         |                 |                       |   |   |
| Dry Matter (calculated):        | 87,8 %               |                 |                       |   |   |
| Fat / Oil A (oil PE-extraction) | 1,37 ± 0,20 %        | 1,56 %          |                       |   |   |
| Protein (%N*5,7) kjeldahl       | 12,00 ± 0,60 %       | 13,70 %         |                       |   |   |
| Fiber                           | 2,72 ± 0,54 %        | 3,10 %          |                       |   |   |
| Ash (550°C)                     | 1,1 ± 0,1 %          | 1,3 %           |                       |   |   |

### Contaminations

#### Mycotoxins

| Parameter                        | Result (as received) | Result (On Dry) | Result (12% moisture) | Q | R |
|----------------------------------|----------------------|-----------------|-----------------------|---|---|
| Deoxynivalenol (DON) / Vomitoxin | < 100 µg/kg          |                 |                       |   |   |

#### Pesticides

| Parameter           | Result (as received)                        | Result (On Dry) | Result (12% moisture) | Q | R |
|---------------------|---------------------------------------------|-----------------|-----------------------|---|---|
| Pesticides GC-MS-MS | Performed according annex, nothing detected |                 |                       |   |   |
| Pesticides LC-MS-MS | Performed according annex, nothing detected |                 |                       |   |   |

#### Pesticides (Glyphosate)

| Parameter  | Result (as received) | Result (On Dry) | Result (12% moisture) | Q | R |
|------------|----------------------|-----------------|-----------------------|---|---|
| Glyphosate | < 0,010 mg/kg        |                 |                       |   |   |

### ANNEX

#### Method Descriptions

#### Composition Determination

##### Weender

##### Method Description

Determination of ash; gravimetric method  
acc EC 152/2009 annex III-M and VDLUFA III (8.1)  
Determination of crude fat (direct extraction); gravimetric method;  
acc EC 152/2009 annex III-H method A and VDLUFA III (5.1.1) procedure A  
Determination of crude fibre content – intermediate filtration  
acc NEN-EN-ISO 6865 eq EC 152/2009 annex III-I and VDLUFA III (6.1.1)  
Determination of crude protein content - Kjeldahl method  
Determination of moisture (at 130°C); gravimetric method;  
acc EC 152/2009 annex III-A and VDLUFA III (3.1)

##### Method Code

acc EC 152/2009  
acc. EC 152/2009  
acc NEN-EN-ISO 6865  
ISO 20483  
acc. EC 152/2009

#### Contaminations

##### Mycotoxins

##### Method Description

Determination of mycotoxins; HPLC MS/MS

##### Method Code

Own method

##### Pesticides

##### Method Description

Flexscope:Determination of the pesticide content ; GC-MS-MS method  
Flexscope:Determination of the pesticide content; LC-MS-MS method

##### Method Code

Own method  
Own method

##### Pesticides (Glyphosate)

##### Method Description

Determination of Glyphosate in plant material with LCMSMS (FMOC-method)

##### Method Code

Own method

##### Pesticides LCMSMS (neg. ionisation)

##### Method Description

Determination of Phenoxy alkane carboxylic acids components are performed with the optimized multimethod

##### Method Code

.
