

Alklanet READY-TO-USE GLASS CLEANER AND MULTI-SURFACE CLEANER

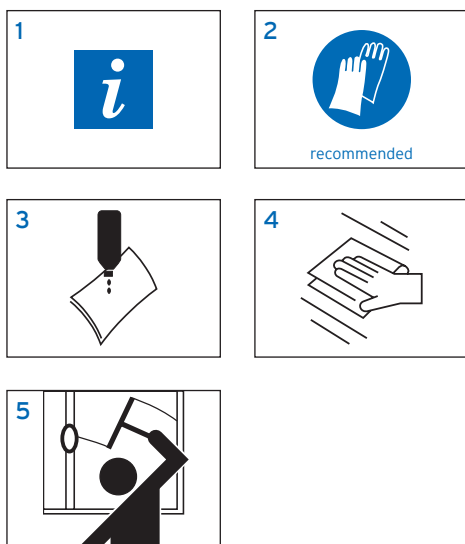

Alklanet is a ready-to-use glass and multi-surface cleaner with a non-streaking, non-smearing and quick drying formula, ideal for periodical cleaning tasks. **Alklanet** is suitable for general spraying as well as wipe cleaning with a microfibre cloth leaving a pleasant fragrance behind. The shape of application bottle is very handy and the trigger sprayer allows accurate dosage of the product.

Application area: for all water resistant surfaces such as glass, melamine, stone, metal, etc.

- **Performance:** Excellent combination of ingredients for ready-to-use and multi surface application with quick drying formula ensures great cleaning performance and shiny surfaces.
- **Efficiency:** Fast and smear-free cleaning with ready-to-use solution saves time and mechanical action.
- **Safety:** Material friendly formulation allows use on all water resistant surfaces.

USE INSTRUCTIONS

- 1 Check hygiene plan, product label and safety information for detailed use information.
- 2 To protect your skin, always wear gloves when handling cleaning products.
- 3 Apply **Alklanet** on a dry cloth.
- 4 Wipe the surface. No rinse required. We recommend using **Alklanet** in combination with colour coded Polifix microfibre cloths to avoid cross-contamination.
- 5 For larger surfaces, use the **Ecolab** window cleaning tools.

SPECIAL NOTES / INFORMATION
