

Statement of Conformity

Packaging and Packaging Waste Regulation (PPWR) Compliance

Date: 22 May 2026

Product: Plastic Keg Caps

Material: Polypropylene (PP)

To Whom It May Concern,

We hereby declare that the polypropylene raw materials used in the manufacture of our products comply with the applicable substance requirements of **Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)**.

Based on declarations and information provided by our raw material suppliers:

- The sum of the concentrations of **lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr(VI))** does not exceed the maximum limit of **100 mg/kg (100 ppm)** as specified by the Regulation.
- The raw materials are **not intentionally formulated with per- and polyfluoroalkyl substances (PFAS)** and, to the best of our knowledge and based on supplier information, do not contain PFAS above the applicable limits set out in the PPWR.

This declaration is based on supplier documentation and applies to the raw materials used in the manufacture of the products covered by this Statement of Conformity.

Our keg caps are manufactured from 100% virgin Polypropylene and are 100% recyclable after use.

Yours faithfully,

Steve Brown

Sales Manager
